Description of Coverage

The General Liability Insurance Program provides commercial general liability insurance coverage for liability imposed by law, up to the policy limit. The liability must stem from an occurrence which results in Bodily Injury to members of the public, or damage to their property. The Company will provide defense even if the allegations of the suit are groundless, false or fraudulent.

The coverage is broadened by the following extensions:

- **Contractual Liability** covers legal liability for Bodily Injury or Property Damage arising from certain written contracts relating to your usual operation. All contracts should be reviewed by USATT and/or Wells Fargo Insurance Services USA, Inc. prior to being signed.
- **Participant Legal Liability** protects against suits brought by Participants in covered activities. Participants include participants, coaches, team leaders, managers, staff members, team workers, and game officials who have been granted proper authorization to enter any restricted area(s) both during practices for or while participating in any competition or exhibition sponsored and/or sanctioned by a Named Insured.
- **Personal/Advertising Injury** covers your legal obligations for injury to others from: a) drug testing [in conjunction with the "United States Anti-Doping Agency"]; b) false arrest, detention, imprisonment or malicious prosecution; c) libel, slander, defamation or violation of right of privacy; d) wrongful entry or eviction or other invasion of right of private occupation.

- **Fire Legal Liability** provides Property Damage Liability Insurance of \$300,000 for losses arising out of fire to real property rented to or temporarily occupied by the Named Insured with the permission of the owner. This does **NOT** take the place of property insurance.
- **Incidental Medical Malpractice Liability** covers the Insured's Legal Liability arising out of rendering or failing to render certain emergency medical services. **NOTE:** This coverages does **NOT** apply to licensed medical providers employed by you or working on your behalf.
- **Worldwide Liability** Extends the policy territory to anywhere in the world provided the original suit for damage is brought within the U.S., its territories or possessions, or Canada.
- **Additional Persons** Insured broadens the Named Insured to include employees and volunteers of the Insured while acting within the scope of their duties.
- **Medical Payments** coverage provides for medical expenses from Bodily Injury caused by an accident; however, coverage is excluded for persons participating in athletics and for any Insured. **NOTE:** This coverage does not apply for participants of the Member Clubs. It is not "sports accident" coverage for participants but instead applies to spectators or other third parties injured by or during covered activities.

The above is a general summary of the benefits provided. It is not meant to be a complete explanation of all the provisions of the policy or the specific benefits. No coverage is extended and no representations are made by the policy.
