NEWS LETTER FROM ORGANIZING COMMITTEE

WORLD JUNIOR TABLE TENNIS CHAMPIONSHIPS 2003.

Dear Friend:

The Chilean Table Tennis Federation is really proud and pleased to host the First World Junior Table Tennis Championships 2003 (WJTTC 2003). We feel very motivated for all the qualified games to be held in our country. For that reason, we have concentrated our energy and efforts in what have been an ongoing task to fulfill all the necessary requirements. Our aim will come to an end when we will welcome to most important delegations that will travel a long way to enjoy this great opportunity. We believe that this event will break all cultural barriers between them, and also it will be time for the athletes to rise above their own expectations and break records that were considered beyond reach. Our advice to each of the young athletes is:

"Let go of what is and what is not possible to achieve so you can go after your dreams"

Make up your mind and be part of this legendary world championships

See you soon

Roque Casanga
General Manager
