

New ITTF Eligibility rule registration form

According to the new ITTF eligibility rule, players under 21 years old and were born in another country, but wish to represent the United States have to be registered with ITTF through USATT.

The new eligibility rule applies only for the World Title events - World Championships, World Junior Championships, and World Cup and is as follows:

In addition to the provisions of 3.8 (the general rule of eligibility) players being eligible to represent an association other than the one they intend to represent, shall register with the ITTF, through this new association.

Such players shall not represent the new association before:

- * 3 years after the date of registration, if the player is under the age of 15 when registered;
- * 5 years after the date of registration, if the player is under the age of 18 but at least 15 years of age when registered;
- * 7 years after the date of registration, if the player is under the age of 21 but at least 18 years of age when registered.

Players being 21 years of age or older will not be registered with the ITTF and will not be eligible to represent a new association at World Title events.

Players who have already represented USA at a previous World Title event will keep that eligibility and do not need to register with ITTF.
