

The Golden Jubilee of FCHS Band Camps

Join us as we celebrate 50 years of going to BAND CAMP!

For one weekend in June, relive the fun you had at band camp in Orkney Springs, **OR** if your band camp was held somewhere else, come and experience it for the very first time. Whether you were the director of the band, served as drum major, played an instrument, twirled a baton, carried a flag, or were a supportive parent, please come and see old friends and meet some new ones!

With an Ork Blossom Parade planned (and yes, if you still play or twirl and wish to march, we want YOU), a cookout, a concert with musical selections led by past directors, a welcome music jam and more, this weekend is something not to be missed.

Plus, you will be doing a good thing, because proceeds from the event will go to help Mr. John Davenport, (current director of the FCHS Band) and his kids, during economic times that have seen so many cuts in their program.
